Dear Golf Member,

2006 is going to be a year of learning and transition for the Highland Country Club.

Enclosed is your Membership Contract for the year 2006/07. Please complete ALL the applicable requested information and return the SIGNED CONTRACT by January 31, 2006 in the enclosed addressed envelope. All members from last year will be guaranteed to have their membership renewed provided the contract is returned by January 31. At present we have approximately 10 social/pool members waiting to convert to regular golf members; so it is very important that you observe this deadline. Please assure the information you provide is legible including the e-mail address where applicable. The membership classifications are explained in the By-Laws handbook. Fees increases were approved at the November membership meeting and are listed on the Golf Membership Contract enclosed with this letter.

The Board of Directors welcomes Bobbi Etherton, Kevin Hemann, Ryan Korte and Steve Lanxon as new Board Members elected at the November Membership Meeting. We also like to congratulate Jerry Miller as the new Club President and wish him well as we move forward with the changes that face Highland Country Club. We offer a heartfelt THANK YOU to Marian Korte for braving the past year as Club President and the trials and tribulations she brought us through.

We wish everyone a Safe and Prosperous 2006!
