Dear Member,

Enclosed is your Membership Contract for the year 2010/2011. Please complete **ALL** the applicable requested information and **return** the **SIGNED CONTRACT** by **January 31, 2010** in the enclosed addressed envelope. All members from last year will be guaranteed to have their membership renewed provided the contract is returned by January 31, 2010. The membership classifications are explained in the By-Laws handbook and the back side of this letter.

The enclosed contract form has been changed slightly from previous years. You will need to fill out the Summary of the Contract and Method of Payment at the bottom of the contract. This summary will represent your total contract with the exception of the Clubhouse assessment billed in October and monthly minimums. These exceptions are billed separately.

Included in this year contract packet is a **Highland Country Club Tree Donation Program Form**. Last year we lost several members and employees from our club. This program is being set-up as a small way to remember these past members & employees. The club will provide a small name card that will be attached to each tree donated.

The Board of Directors welcomes Barry Harris as new Board Member and returning Board Members Gary Bargetzi, Steve Lanxon, Jan Trobaugh and Dena Henricks elected at the November Membership Meeting. We offer a heartfelt THANK YOU to retiring President / Board Member Kevin Hemann for all of his dedication and service to the club these four past years.

We wish everyone a Safe and Prosperous 2010/2011!

Regards,

Gary Bargetzi, President
