**2016**  
**MEN'S CLUB CHAMPIONSHIPS**

On Saturday, October 1<sup>st</sup> ALL participants that have signed up for the tournament will play; *flighted tee times will be assigned beginning at approximately 7:00am.*

Flights will be determined using handicaps as of 9/23/16 and will include Championship, A, B, C, and Seniors. Saturday's competition consists of a qualifying round and will be **stroke** play. The lowest 50% of the scores in each respective flight will then advance. The remainder of the Tournament will be match play. For example, if your flight has eight players, the low four scores from Saturday will be seeded for match play. (1 vs 4 to play the winner of 2 vs 3) An exception, however: If a flight has only four participants, they will be seeded and will begin their match play on Saturday the 1<sup>st</sup>. Ensuing match play arrangements will be at the discretion of the participants subject to the following: Semi-Final matches must be completed by October 9<sup>th</sup> and Flight Championship matches must be completed by October 16<sup>th</sup>. Matches not completed by these dates will result in a forfeit. No exceptions.
