

# HCC 2006 Night Golf Scramble

- **GAME-2 person scramble.**
- That is each player hits their own shot from the tee. The couple then chooses the best shot and both players hit from the location of the "best shot" and continue this including putts until the ball is holed.
- If you need replacement balls or glow sticks we have some available in the club house or call 314-550-1796 and someone will meet you on the course.
- Please be careful and use caution. Be careful on bridges especially.
- Play only tee boxes that are marked.
- When addressing your glow ball make sure the glow stick light and club face are parallel. (so that when the ball is struck it will not dislodge glow light stick.)
- Players should play winter rules, bumping the ball as necessary.
