

Junior Golf Opportunities with the PGA of America

On Saturday, March 23rd at 10:30 AM, Kristi Egnot, Regional League Manager from the PGA of America will conduct a brief information meeting at Highland Country Club regarding two PGA of America sponsored junior golf programs being run this summer at Sunset Hills Country Club in Edwardsville. These programs are open to the public and available to players of all skill levels.

PGA Jr. League

PGA Jr. League brings friends and family together around fun, team golf experiences with expert instruction and coaching from PGA and LPGA Professionals.

Golf teaches sportsmanship and integrity, and it gets kids off the couch and outside in nature. Most importantly, it's a **lifelong sport** that the entire family can enjoy together. PGA Jr. League is both a great introduction to the game and a recreational team opportunity for experienced players. Kids enjoy relaxed competition in a two-person scramble format that encourages mentorship and builds confidence.

Scholarship opportunities are also available to those who qualify.

PGA Junior Golf Camps

Action-packed camps include hands-on instruction led by certified PGA Professionals. Signature PGA camp curriculum focuses on developing golf skills (full swing, short game, rules and etiquette) while keeping the experience fun and engaging (games and activities). A fun, safe and educational environment designed with your child's well-being in mind.

Half Day Camps are designed to inspire new golfers and further the development of those playing at a beginner to intermediate level. Full Day Camps provide an opportunity for intermediate to advanced junior golfers to continue to improve their skills as well as develop better course management expertise.
