

## Welcome to Wednesday Night Ladies League!

This year we have 17 teams. Some teams will get a bye. If your team is scheduled for a bye you have options. The options will be presented in a later section of this novel.

### League Format

- Starting time is 5:00 p.m. to 5:30 p.m. (please make arrangements with the team you are scheduled to play if you are going to be late.) Realize that another team is counting on your participation and the sub list is available to avoid forfeits.
- **In the event of a forfeit, the forfeiting team will receive the highest score of the night for their score.**
- 3 person scramble.
- Teams may start on any hole.
- **Play any tee shot. There is no minimum tee shot requirement.**
- No particular order is required.
- Talley scorecards at the end of the match. Please provide your total score and score for the game of the night on the scorecard. Keep track of your putts **ON MYSTERY GOLF NIGHTS ONLY** .
- Turn scorecards in to the designated host team for the evening as quickly as possible. Host teams for each week are outlined in this booklet. After collecting all scorecards, the host team will identify the winning team for the night based on the game of the night. The envelopes will contain score sheets with each team and their respective flight for the hostess to complete. Each flight will receive \$15 in prize money. In order to be eligible to win at least one member of the team must be present in the clubhouse. Any unclaimed money will be added to the league fund.
- Each team is responsible for finding their subs. If a team cannot find a sub, you may play with 2 people, but you do not get a third shot. In addition, a team may even play with 1 person, but that person would only get one shot. Members on a regular golf team may not sub for other teams.  
  
We will not be flighting subs; any sub on the sub list may play for any team in the league. However, subs will NOT be allowed during the play-offs.
- One team member must be present for a team to play, otherwise the night is forfeited. If a team forfeits – their score for the night is the highest score turned in that night.
- In the event of bad weather, league will not be called any earlier than 5:00 p.m. A call to the clubhouse may be made after 5:00 p.m. to find out if league is cancelled. League will not be cancelled unless it is lightning or pouring. But come out anyway, as we will still have dinner, and “indoor” games of skill and chance!
- Rally For The Cure Night is a regular league night but funds raised will be donated to the cause.
- Do not keep track of birdies or chip-ins.
- Playoffs: The last 2 weeks of league will entail playoffs with the top 4 teams in each flight playing. During the last 2 weeks of play the remaining teams will play against each other for the weekly game and prize money.
- Playoffs: Scorecards: In the event of a tie, the winner will be determined by a scorecard playoff starting with hole #1.
- Scores will be posted on the HCC website. The schedule and the list of teams and subs will also be available on the website. [www.hccgolf.net](http://www.hccgolf.net)

## Buh-Bye

The teams which did not have byes were randomly selected through a blind draw. If your team has a bye you have these options:

- 1) Stay home and catch up on laundry.** This is *not recommended* by the league commissioners. However, should you choose this option, you will be given the average score from your team at the time of the bye. There must be at least three scores in the system to find your average. Therefore, teams who have a bye in the early weeks of the season, will not have their score calculated until three weeks of play have occurred.
- 2) Have your team play alone and use your actual score for the night.** This also makes your team eligible for the weekly prize money.
- 3) Invite guests** to play that week so that non-members or members who don't play in the league get a chance to join in on the fun of Wednesday nights. Remember, all non-member guests must pay green fees. If you still played your regular team against a team of guests, you can use your actual score for the night. Otherwise, you'll get your average score as if you had stayed home, but this option is so much more fun than laundry.
